YOUR PICK-UP AND DELIVERY LAUNDRY SPECIALISTS

At Wash World Laundry Services, we know laundry. We have been serving the Omaha metro area for over 20 years, providing superior quality, exceptional value and unmatched reliability. We appreciate the numerous considerations you have each day in the management of your business, your household or your college career. Let us take care of your laundry so you can take care of what matters most to you.

We process laundry to your exact specifications and for your convenience, we will pick up on either a set schedule or “as needed.” Our laundry experts will work with you to develop a plan that best meets your budget and needs.

Remember, your time is valuable. Spend it doing what you love — not doing laundry!

Eco-friendly laundry practices

Wash World Laundry Services is committed to doing our part to preserve the earth’s resources. We only use high-efficiency equipment to reduce our water and energy use.

Prefer to do your own laundry but still want to save time?

You will be in and out in an hour at any of our three Omaha locations.

Student Laundry Plans
College life is demanding enough without having to worry about laundry. Wash World offers several student laundry plans with convenient pick-up and delivery* to help “take a load off” a busy student’s to-do list.

* Pick-up and delivery service currently available to University of Nebraska at Omaha and Creighton University students. For other schools, please call for details.

Mat Rental and Sales
Wash World also offers commercial-grade mat rental and sales. Whether you need replacement mats weekly — or more (or less) frequently — we can customize a schedule to meet your needs while allowing you to dramatically reduce maintenance costs. To promote your business while protecting floors, these durable mats can be customized with your company’s logo. Have your own floor mats? We are happy to pick them up on a schedule you set, clean them and place them back into service.
